

BLACADA configuration guide for Blackberry mobile.

This manual explains how to configure the dialer application for BlackBerry BLACADA for automatic dialing Netelip local access number 951202020.

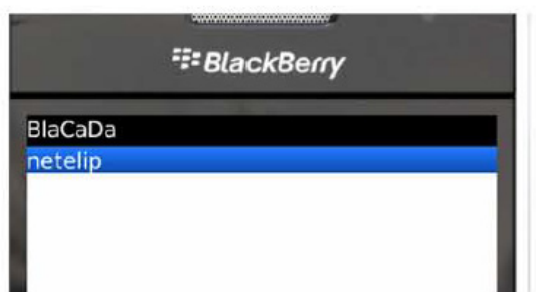

Step 1

Sign up at www.netelip.com

You must have credit on your Netelip account so calls can be deducted.

Step 2

Download free BlaCaDa application from your Blackberry AppWorld. Once downloaded, you must to create an account for Netelip.

You must enter our local access number 951202020 (in the case of Spain) and add # to decrease the time to connect the call.

Step 3

Now you can start calling all your contacts
